INFORMATIONAL ITEMS

FUTURE MEETINGS:

August 17, 2022

ADJOURNMENT

**MAPLE GROVE
LAKE QUALITY COMMISSION
DRAFT MINUTES
May 18, 2022**

CALL TO ORDER A meeting of the Lake Quality Commission (LQC) was held on May 18, 2022 in the Mayor's Conference at the Maple Grove Government Center, 12800 Arbor Lakes Parkway, Maple Grove

Chair Fahrenbruch called the meeting to order at 6:32 p.m.

Commissioners Present:

Becky Fahrenbruch – Chair - Eagle Lake
George Schneider – Rice Lake
Brennon O'Callaghan – Fish Lake
Nancy Bergstrand – Weaver Lake
Steve Lane – Cedar Island
Sharon Martin-Kotula – Edward Lake
Joe Ruegsegger – At Large

Commissioners Absent:

Ben Zaker – At Large

Others Present:

Derek Asche, City of Maple Grove
Diane Spector & Katie Kemmitt - Stantec

AREA REPORTS Becky Fahrenbruch, Eagle Lake – Docks continue to be installed and waterfowl are back.

Rice Lake, George Schneider – Rice Lake Area Association held their annual meeting. Water is about 12" higher than normal and there is no visible curlyleaf pondweed.

Fish Lake, Brennon O'Callaghan – Dock and lifts are being installed. The lake temperature is approximately 68 degrees. The Fish Lake Area Residents Association held their annual meeting.

Cedar Island, Steve Lane – The lake level is continuing to bounce back to normal levels. Curlyleaf pondweed was treated on May 17, 2022.

Edward Lake, Sharon Martin-Kotula – Lake clean-up event was completed.

Weaver Lake, Nancy Bergstrand – Weaver Lake held their annual association meeting. Concerns were raised over whitestem pondweed excessive growth.

At Large, Joe Ruegsegger – Joe’s daughter continues her success on the water and her picture was featured in Maple Grove Magazine.

APPROVAL OF
MINUTES

Minutes of the April 20, 2022 LQC meeting were presented.

MOTION TO APPROVE made by Lane, second by Schneider. With all in favor the motion was APPROVED.

SHINGLE CREEK
4TH GENERATION
PLAN AND TMDL
UPDATES

Diane Spector and Katie Kemmitt of Stantec were in attendance to present to the commission and update on the progress of the Shingle Creek Watershed 4th Generation Plan and Total Maximum Daily Load (TMDL) updates. The presentation included priority concerns for Cedar Island, Pike, and Eagle lakes including elevated internal nutrient loading, invasive plant communities, and the presence of rough fish. The presentation also included possible 10-year plan activities including subwatershed assessments and invasive species management. In addition, a review of approved TMDL’s and the sources pollution including the watershed (MS4), atmospheric, internal, and residual was provided.

INFORMATIONAL
ITEMS

A reminder that the Maple Grove Days LQC booth will need to be staffed by LQC. It was strongly recommended each member take one shift. A sign up sheet will be provided soon. Steve Lane is able to transport supplies to the Maple Grove Days booth. Asche is working on supplies for the booth including signage, prizes and water. O’Callaghan will provide a tent canopy.

FUTURE
MEETING:

June 15, 2022

ADJOURNMENT

Meeting adjourned at 7:53 pm.

LAKE QUALITY COMMISSION STAFF REPORT

TO: Lake Quality Commission (LQC)

FROM: Derek Asche, Water Resources Engineer

DATE: June 8, 2022

SUBJECT: Community Center Renovation and Expansion Update

City Administrator Heidi Nelson will be in attendance to update the LQC on the Maple Grove Community Center Renovation and Expansion project

RECOMMENDATION: I recommend the LQC receive the update on the Maple Grove Community Center Renovation and Expansion project.
