He stated he had two issues with the valuation on his property. He discussed the comps used on his home and noted he had other comps that were more accurate. He reported the Board was not bound by a certain study time period for home sales and encouraged the Board to consider the Shadyview comp he provided to staff. He noted he has one of the smallest lots and homes on Weaver Lake. He requested he not be overly assessed given the size of his home and lot. He stated the comparables for his home were being assessed at below \$500 per square foot and his home was being assessed at over \$600 per square foot. He discussed differences between the comps and his home and indicated his value should be less than \$494 per square foot. Using \$494 per square foot he came up with a value of \$592,000 which supports the \$601,000 he requested at the previous meeting.</p> <p>Councilmember Leith questioned why the Shadyview comp was not used for Mr. Kornis's home. City Assessor Mitchell stated the sale occurred outside of the study period.</p> <p>Councilmember Leith asked why Mr. Kornis was being assessed \$100 per square foot more than the other comp homes. She believed the city was playing with numbers and values should be based on comparable sales not comparable sales with adjustments.</p> <p>City Assessor Mitchell discussed the comparables used for Ms. Carter's home and provided further comment on market value adjustments. He stated based on the physical characteristics of this property a slight reduction was being recommended for this home.</p> <p>John Carter, 13889 62nd Avenue North, clarified that their comps match their style of home and the other ones are all over the place.</p> <p>Mayor Steffenson reported a market adjustment was made to the homes sold in 2020 because those sales occurred over a year ago.</p> <p>Ms. Carter indicated her home value increase was nearly 32% and stated the average home in Maple Grove was receiving a 20.6% increase.</p> <p>Councilmember Leith suggested the home value be set at \$343,700.</p> <p>Ms. Carter stated this value was still too high for her home due to</p>
