

# MAPLE GROVE TRANSIT

## Route 789 U of M Service Update *Effective August 23, 2021*

Effective August 23, 2021, the Route 789 service to and from the University of Minnesota, Minneapolis campus will operate the full schedule. Per the schedule below two A.M. inbound and two P.M. outbound trips will be offered.

*Also, Maple Grove Transit will no longer reduce Route 789 service during U of M breaks. The August 23, 2021 Maple Grove Transit pocket schedule will still list the footnote that Route 789 reduces service during breaks, riders should ignore that statement.*

If you need additional bus service options to the U of M, you can travel via the Route 781 from the Maple Grove Transit Station to downtown Minneapolis. To complete your trip, you will then need to transfer to Metro Transit’s METRO Green Line or Route 3. For details on these Metro Transit service options, contact them at 612-373-3333 or [www.metrotransit.org](http://www.metrotransit.org). The UPass, GoTo Cards, Metro Pass, and cash are accepted as fare payments for the Route 781 and Route 789.
