SICK LEAVE

Part-time employees earn sick leave at the rate of 1.85 hours per pay period. Sick leave may be accumulated to a maximum cap of 864 hours.

"FIT FOR LIFE" WELLNESS PROGRAM

Part-time employees can earn up to 8 hours of additional vacation time annually as a reward for participating in the comprehensive wellness program. Additionally, throughout each program year, employees can receive gift certificates and other incentives through participation in various activities.

PAYROLL PERIODS

City employees are paid every other Friday, with actual pay lagging performance by one week.

DIRECT DEPOSIT

The City has direct deposit for your paycheck. Your check will automatically be sent to your bank, and it will be deposited in your account payday morning. You will have the ability to view online all of the other data that you would normally receive with your paycheck, such as the amount you earned, and all the deductions taken from your check.

PENSION BENEFITS

The Public Employees Retirement Association (PERA) provides for retirement benefits for public employees. You may retire after you reach age 55 and have at least three (3) years of service. Your retirement benefit will be determined by a specific formula based on the number of years you contribute to PERA, your age, and your average salary over the five (5) highest successive years you contribute. This benefit is funded both by your contributions and by contributions made by the City. The amount of that contribution is determined by what employee group you are part of. If you are a member of the Coordinated Fund (which applies to most City employees), **your contribution is 6.5%, and the City's contribution is 7.5% of your salary.** If you are a member of the Police and Fire fund, your contribution is 11.3% and the City's contribution is 16.95% of your salary.

DEFERRED COMPENSATION PLANS

An employee can elect to contribute to any of the following three deferred compensation plans, each pay period, on a pre-tax basis, and has a variety of investment choices available within each plan: Nationwide, ICMA and the Minnesota State Plan.

EMPLOYEE ASSISTANCE PROGRAM

The City has an employee assistance program through Health Partners for its staff and their families. They have counselors 24 hours a day, 7 days a week to assist you with any type of problem, from family concerns to legal help. The phone number for this service is 1-866-326-7194.

INSURANCE BENEFITS & PRE-TAX PLANS

The **2023** City contribution rate for insurance benefits is **\$547.50** per month.

PLEASE NOTE: All insurance coverage is effective on the 31st day of employment, with the exception of optional life insurance coverage. Consult the Human Resources Department for more information.

Required "Core" Benefits: An employee must purchase the following benefits, using employer contribution dollars, and any balance available after the premiums are deducted for these plans, can be used towards the purchase of optional benefits or received in the form of a cash benefit, which would be considered taxable income.
